Re: Invitation to attend Occasional Grand Lodge

To: District 15 & 17 Masonic Lodges,

On behalf of the Most Worshipful Grand Master David H. Fryday, Medford Lodge #103 A.F. & A.M would like to extend our warm welcome to you and the members of your organization to attend the Occasional Grand Lodge held in our lodge on May 17, 2014. A copy of the agenda is attached with this correspondence.

If you would cordially please contact our lodge Secretary Howard Leachman and confirm any attendance it would be most appreciated. It would also be appreciated if you could provide information as to names and proper introductions of those members who will be in attendance. The Grand Master has reserved an opportunity for special speakers on a limited basis representing various groups. Should you have a representative that would like this courtesy then we ask that you please inform us so we can ensure the Grand Master can determine how to best arrange the agenda and speaker selection.

There will be a morning session open only to Master Masons however family, friends and all other Masons are also welcome to attend the other Occasional Grand Lodge functions. If others will be attending, please do us the courtesy and provide their names so we can present a tally for keeping track of the numbers of persons attending who will desire lunch. Lunch will be \$6.00 and be a BBQ style lunch. For lunch reservations contact Howard Leachman at 541-890-5625 by Friday, May 9. Reservations are required for this meal.

We would appreciate any publication in your newsletter informing others of the event as well as informing others of their invitation to attend.

Sincerely,

The Officers of Medford Lodge #103

Occasional Grand Lodge
