

Hello There! We hope the Holiday season will be full of Love, Family and good cheer. It is the season for giving. Please reach out to anyone in need. We must try to relive the burdens of our Sisters and Brothers as we can. Our beautiful Order is based on the lessons of 5 women that through trials and hardship shared the one thing that got them all through their journey. Faith. Remember what the Christmas Season is about.

Our Grand Visit went very well. I thank all our Officers for their wonderful work and supporting us on a Saturday night. Wow, the food was great, and brought in by Reames, Aloha and Adarel Chapters. You ladies can cook. Jamie your enchiladas were soooooo good. Worthy Grand Matron Judy Rooth and Worthy Grand Patron, Don Broxon, and escort Anna Broxon were given an honorary membership to Reames Chapter and they were very pleased. They said our work was great and they appreciated us having this on a Saturday night. The WGP works and would not have wanted to miss this opportunity to come to Southern Oregon. I want to thank all members, visitors from other Chapters and Jurisdictions for attending this Visit. What fun it was. Our paper drive collected over \$75.00 for the WGM's and WGP's special project "The Shriners transportation fund". Thank You.

January brings "Slipper night" wear your favorite pair of slippers and be comfy. We have a lot of work to do the rest of the year and we are right on track. Special thanks to Sister Joan our Secretary, she does a great job and Sister Arline Loberg for helping Joan with her mailings. The Officers and members of Reames, thank you for doing what is needed.

Our Worthy Patron, Billy, and I say to remember our Sisters and Brothers that cannot come to Chapter, call them, send them a card, and thank them for being a member. It is with heavy heart to report that our Brother Perry Card lost his battle with cancer. Please keep Sister Jean in our thoughts and prayers. Brother Fred France is out of the hospital, YEAH! Sister Lyn, happy thoughts!

Star Love

Worthy Matron, Cindi Thompson

Greeting from the East and from all the Lodge Officers.

I hope all is well for you and your family, this Christmas Season. The end of the year is here for our 2014 Lodge Officers. I want to thank all my Brothers, Sisters, family and friends, who have helped support me as Worshipful Master of Medford Lodge this year. It has meant a lot to me to me to serve this year and appreciate your faith in me. Thank you from the bottom of my heart.

There is too many Brothers who have helped me grow and learn about Masonry, to thank as individuals. So many has helped me understand the working of the Brotherhood of Masons. I have grown as a Mason and have the utmost respect and love for you all. You know who you are and know that I truly thank each of you. To the Officers of 2014, continue on your path the journey is infinite.

Next year I hope you will support Brother John Lohrfink and his Officers as well. John has some great ideas for Medford Lodge and I look forward to working with him.

This is the time of year for giving and like the Great Architect of the Universe did, he gave his life! So if each one of us could do just a little more if possible to make a change in some one's life that is less fortunate than us, we will make a change for the better. As we continue to improve ourselves in Masonry, we are indeed improving our life.

We know from history that without ideals to guide us through the garden of man's life, we will not grow into a place of beauty.

On the Level

Worshipful Master, Billy Thompson

From the West and soon East, What a great year Sam has given us. Great projects like the dinning room redo and the door way from the old Jobe's storage room. I feel like we are back on the right track again, thanks Sam.

We have a party comming up on New Year's Eve, all are invited. Tell your friends. It all starts at 5:00 PM sharp with diner of hamburgers by the Big Kahuna (Skip) and many other mouth-watering goodies. 6:00 o'clock brings on the festivities with games and ice cream sundaes. We plan to party as long as you keep playing the games, but it will be over in time for you harty party goers to hit the late night affairs. The charge is minimal for this much fun, only \$10 per head and less for children.

We will start practicing for the EAD coming up Jan. 29th, so start looking over the degree work. I believe that Dan will make a great new member. Lets welcome him as only Ashland Lodge can!

See you at the Stated meeting in January on the 8th at 6:00 for dinner.
